

Hi Kids,

The teachers, staff and I miss you all very much! Since we have missed you all so much we would love for you to sing along to the Tom Thumb Song!

A huge thank you to my brother, Alphonso Montibello for creating the Tom Thumb Preschool Website. Al collaborated with John Marvin (the owner of Pronto Printer) and his associate Keeara Jones. These activities, coloring sheets and music reproductions would not be possible without the extraordinary cooperation and patience shown to me. They have all helped me make my dreams for children come true.

~Please stay well, there will be more to follow
