

# I Like Being Me

I like being ME!

I like what I can do.

The place I live, my family, my friends and pals -  
It's true!

I like being ME!

How lucky can you be?

So much to learn, so much to do -  
So much that is brand new!

I like being ME!

I like what I can do.

The place I live, my family, my friends and pals -  
It's true!

So much to learn, so much to do-  
So much that is brand new!

So much to learn, so much to do-  
So much that is brand new!
