

WE WILL NOT QUIT

Ode to Joy
Music by
Beethoven.

We are young and should be heard
so listen to our voices;

Let the world know we can change
tomorrow with our choices.

Light the world with hope and laughter,
then we can sing in unity

Holding hands we'll work together,
there is nothing we can't achieve

We know what the world could be if we all work
together, there is nothing we can't do,

WE WILL NOT QUIT, NO NEVER!
